

RAVENSTONEDALE PARISH COUNCIL

Minutes of the Meeting held on Thursday 12th January 2006 in Newbiggin-on-Lune Public Room at 7.30 pm

Present: Councillor John Bull (Chairman) Councillors Caroline Morris, Ernest Leach, Fanny Jackson, Hilary Mirrey, Janet Brownrigg.
District Councillor, Michael Metcalfe-Gibson and County Councillor Tim Stoddard.
Clerk, Chris Elphick.
Winston Collinge – Deputy Chairman of Cumbria Association of Local Councils
Tom McMullen, MBE., Quality Parish Co-ordinator, CALC
Clive Moth, Quality Parish Area Co-ordinator, CALC.
1 member of public – John Jackson

Presentation of Quality Parish Status Certificate

The Clerk had prepared a portfolio of evidence of the activities of the parish council and submitted it for examination by the County Accreditation Panel on 22nd November 2005.

Winston Collinge, Deputy Chairman of the Cumbria Association of Local Councils (CALC) presented the Chairman with a framed Certificate of Accreditation, confirming Ravenstonedale Parish Council's competence in accordance with DEFRA specification. Mr Collinge noted that, since the start of the scheme in 2003, only 236 of approximately 10,000 parishes nationally had received accreditation. Ravenstonedale is the first in Eden District.

Declarations of Interest

There were no declarations of personal or prejudicial interest in any agenda item.

Apologies for absence had been received from Paul Capstick

Minutes of the Meeting held on Thursday 10th November 2005 had been circulated.

Resolved that the minutes be signed by the Chairman as a correct record

Public Participation

There were no contributions from members of the public

Children's Playgrounds

It was reported that the highly acclaimed fund-raising Variety Show held In N-o-L Public Hall on 10th December 2005 had raised the sum of £600. towards the fund.

The Clerk has received Grant Application forms from some likely sources of funding and will be making applications as soon as quotations for works are received.

Children from Ravenstonedale Endowed School have visited the wooded area of the Scandal Beck site and will be suggesting ways in which it may be developed as a nature reserve to help with their studies within the national curriculum.

The Scandal Beck site is a Site of Special Scientific Interest (SSSI) and the whole of Ravenstonedale is a Conservation Area. It is, therefore, necessary to consult with several bodies to avoid inappropriate development. To date, site meetings have been held with representatives of the Environment Agency, and English Woodlands as well as potential contractors who have added their advice. A meeting with Maggie Robinson of English Nature is also programmed.

The lease for N-o-L site has still not been received. The Clerk has again written to the landlord's agent.

Ravenstonedale Parish Council Website

The Clerk has been submitting information to Stan Frost for inclusion on the website. It is hoped to have the site ready for launch very soon.

Winter 2006 Newsletter

The Winter edition of the Parish Council Newsletter is expected to be ready for distribution by the end of January. The possibility of including advertising is being considered. This would contribute to the production costs.

It is hoped to be able to announce the Website address in the Newsletter.

Chairman and Clerk will refine the distribution address lists.

Proposed inclusion of Howgills including Ravenstonedale in the Yorkshire Dales National Park

Following the publication of "Our Forgotten Landscapes" by Friends of the Lake District (FoLD), the Clerk had been in contact with the Yorkshire Dales National Park Authority (YDNPA) and the Countryside Agency in order to ascertain the current situation and to enquire about the local consultation process.

The response from both agencies was that the FoLD publication was solely the opinion of FoLD rather than a definitive document. The Countryside Agency has now engaged consultants to develop ideas gained during the initial assessment of the area. This will include local consultation – probably starting in February 2006.

Planning Applications
