The Parish Council has two representatives on the Ravenstonedale Educational Foundation who will report proceedings to the council. There being no pupils at the present time and no new admissions permitted, it appears that closure is inevitable.

**Bus Routes**

The 564 bus service from Brough to Kendal via Ravenstonedale and Sedbergh has been discontinued due to the withdrawal of financial subsidy by Cumbria County Council.

A new once weekly service from Brough to Kendal via Ravenstonedale and Tebay is now operated by Cumbria Classic Coaches.

**Footway Lighting**

District Councillor Ian Torkington reported on revised footway/amenity lighting proposals for following an inspection of the villages with EDC representative Chris Slater.

Following an edict from Electricity North West that, for safety reasons, all street lighting units will be removed from ENW poles during their maintenance cycle, a survey of existing stock is being undertaken .

Eden District Council, which maintains the footway/amenity lighting in Ravenstonedale and Newbiggin-on-Lune, is consequently reviewing its entire stock of lighting throughout the district. This is also a cost cutting exercise as EDC has no statutory duty to provide footway lighting. As well as being located on ENW poles, many are sited on privately owned properties in addition to those on dedicated poles. A provisional list of those lights which will be retained, those which will be relocated and those which will be removed at the end of their useful life has been compiled.
