Coast To Coast Walk

A letter had been received from Rishi Sumak, MP for Richmond, requesting support for a campaign to get the Coast to Coast Walk, which passes through the parish, designated as a National Trail, a status which it currently lacks.

Designation of this popular route would attract some government funding which would facilitate maintenance and publicity for the trail.

It was resolved that a letter of support be sent.

Public Participation

It was reported that the problem of vehicles parking at Town Foot was becoming a serious problem insofar as larger vehicles are unable to negotiate the bend due to obstructions. A particular incident involving the school bus resulted in a 15 minute delay while vehicles were moved.

Cllr Bateman offered to ask for suggestions from the highway authority and local residents.
